Tycho to the Moon

Kids love Tycho!

This dog doesn't just howl at the Moon — he goes there!

Blast off on an amazing ride with Tycho and his young friends, Ruby and Michael.

Learn about night and day, space travel, phases of the Moon, and features of the lunar surface.

Take a close-up look at the Sun, see Tycho play in zero gravity, witness Earth from space, and watch meteors shoot across the night sky.

Running time: **21:34** Year of production: **2008**
 Suitable for: **Youth, General public**
 Information about: **astronomy, Moon, Sun, space travel, zero gravity**

Public performance of this show requires the signing of a License Agreement.
